The screenshot displays the PHANTOSYS web interface for remote management. The top navigation bar includes links for 檔案 (Files), 設定 (Settings), 工具 (Tools), and 說明 (Help). Below this, there are three main tabs: 系統狀態表 (System Status Table), 電腦 (Computers), and 磁碟映像檔 (Disk Images).

The 磁碟映像檔 (Disk Images) tab is active, showing two sub-sections:

- 映像檔維護 (Image Maintenance):** A table with two columns: 編號 (ID) and 映像檔 (Image). The first row shows ID 000 and image MD590-Win10.
- 映像檔節點維護 (Image Node Maintenance):** A tree view showing the hierarchy of image nodes. The selected node is Win10-1130227-RerunPegasus.

On the right side, there is a list of all computers (全部電腦 (48)). The list has two columns: 編號 (ID) and 電腦 (Computer). The list shows IDs from 000 to 040, with corresponding computer names like EI-01, EI-02, etc.

At the bottom, there is a taskbar with various icons, including a search icon, a refresh icon, and a power icon.
